

DEPARTMENT OF ARC AND CORD INSTRUMENTS - CELLO SCHOOL

DCPL57 ACADEMIC DIPLOMA COURSE OF FIRST LEVEL IN CELLO

FORMATIVE OBJECTIVES

At the end of the studies related to the first level Academic Diploma in Cello, students must have acquired the knowledge of the techniques and specific skills that allow them to concretely realize their artistic idea. To this end, particular emphasis will be given to the study of the most representative repertoire of the instrument - including the ensemble - and of the related executive practices, also with the aim of developing the student's ability to interact in differently composed musical groups. These objectives must also be achieved by encouraging the development of perceptive hearing and memorization skills and by acquiring specific knowledge relating to the organizational, compositional and analytical models of music and their interaction. Specific care must be dedicated to the acquisition of adequate postural and emotional control techniques. At the end of the three-year period, students must have acquired a thorough knowledge of stylistic aspects, general aesthetic histories and related to their specific address.

Furthermore, with reference to the specificity of the individual courses, the student must possess adequate skills related to the field of improvisation. The training objective of the course is also the acquisition of adequate skills in the field of music informatics as well as those relating to a second community language.

OCCUPATIONAL PERSPECTIVES

The course offers the student employment opportunities in the following areas:

- Soloist instrumentalist
- Instrumentalist in chamber groups
- Instrumentalist in chamber orchestral formations
- Instrumentalist in symphonic orchestral formations
- Instrumentalist in orchestral formations for musical theater
